Dedication

Dr. John Rooney

Dr. John Rooney announced his retirement as Riverside High School Superintendent earlier this year. With many years of dedicated service to Riverside, he will be remembered as both an administrator and also as a friend. The administration, faculty, students, board of education, and yearbook staff would like to wish Dr. Rooney the best of luck in the years ahead. Throughout those years, we are confident that he will join us, the Class of 2001, cheering our alma mater on to victory - forever Vikings.

Homecoming 2001

This year's Homecoming Dance was held in October. Kristen Reed was crowned queen. Her court included Kristina Knight, Nora Ann Lucchi, Carly Streznetsky, and Jessica Lemoncelli. The night was the final event of the Spirit Week activities in which seniors won Penny Wars for the 6th year in a row, 'Creative T-shirt contest,' and Hall Decorating (finally!)

Concert Band

The Riverside Concert Band celebrated its first ever performance this year. The band was able to showcase talent unable to perform in the football season. The 24 member orchestra, conducted by Mr. Ron Geise, performed 7 songs ranging in musical style from "Great Gate of Kiev" to the football staple "Cleveland Rocks." The performance also highlighted senior members. Katie Robinson and Jennifer Rugletic performed a clarinet duet and David Loew performed a violet concerto to "Swan Lake."

Class History

Scene: The year is 2010. The place is Barnum and Bailey's Circus. Meredith is walking by dressed in circus attire, looking a bit lost, as usual.

J: Excuse me hun, did you lose your mom?

M: Um, no, thank you, but you might be able to help me anyway. I'm looking for Joann. I have an interview with her for a job here.

J: (surprised) Not to be rude honey, but we have an age requirement for employment here. I'm almost sure its 18 to perform.

M: Actually I'm 27. I'm applying for the circus midget position.

J: Oh I am so sorry. I feel terrible!

M: Its fine. I get that all the time. But about Joann, can you tell me where she is?

J: Actually, Joann left early today, but I can take your application and give it to her tomorrow. (Meredith hands her the application) Thank you very much (looks at

application) Meredith. Wait, Meredith, Meredith Godino? Did you graduate from Riverside? Class of 2001?

M: Oh my gosh, Jess! It's been so long! I can't believe it! (puzzled) What exactly do you do here?

J: Well, I train and perform with the horses.

M: Oh, well you rode so well in high school.

J: Yeah, speaking of high school, we had a pretty crazy class.

M: Yeah, some people seemed to fail on purpose just so they could graduate with us.

J: Like Ellis.

M: And Marty; he was the first one to start driving.

J: yeah he was driving without a license.

M: oh yeah, he was driving, got into his first accident, and got a license that he didn't have suspended before he was even in high school.

J: And what about John Koj-a-tek or Steve Schab I mean.

M: Wait, didn't Kojtek and Donati graduate with us??

J: No, you just thought they went to Riverside only because we heard their names all the time.

M: Yeah, the Old Forge-Riverside rivalry got pretty intense then.

J: Didn't Leigh Ann start all that?

M: Yep, right after her & Gina got arrested.

J: Yeah, Leigh Ann needed to get arrested like she needed another hole in the head.

M: Speaking of heads, remember Bill Sandly?

J: No, but I remember his annoying laugh.

M: Or remember when Rochelle came out of the closet?

J: About what?

M: No Jess, she really came out of Bill's closet.

J: Oh yeah.

M: And who can forget Steph Foley?

J: No, you mean Steph Sluck.

M: Yeah whatever, her & her bright orange hair!

J: No, Mere, that was her sneakers, her hair was blonde, kinda.

M: Yeah, as opposed to Margann's hair, which was pink.

J: purple

M: red

J: blue

M: and every other color imaginable.

J: But all that hard work won her most unique style...

M: Yeah, I think Lesley was a little bitter.

J: And we can't forget about our Prom Queen Kristina Knight.

M: or Joe Wagner, our Prom King.

J: But Ryan Onofrey looked the best at our Sr. Prom with his Powder Blue tux & top hat, and he certainly brought the drama with that heartfelt speech of his.

M: That reminds me, didn't the Drama club present "Little Shop of Horrors" our Sr. year?

J: Yeah, at first I thought it was about those sophomore girls, but then I realized it was a musical.

M: yeah Jess, that's H o r r o r s.

J: But honestly, we had some talented people in our grade.

M: Yep, Carly always played the lead roles in our plays.

J: And her, Nora, Jackie, and Joelle led our girls through a great softball season.

M: Our boys' basketball team didn't have as good a season as we hoped, but at least

Ozzie shot at the right basket that year.

J: Yeah, He did anything he could to score.

M: Speaking of scoring, our baseball team had quite an impressive year, finishing the

regular season undefeated and winning the District title.

J: We couldn't figure out which teams shirts were

cornier though, Let the dogs out,

M: or We're really nice guys.

J: But I did hear Jay Price suggested getting "DeFranco Elementary School" printed on them.

M: That must be why he wore it everyday!!

J: I'm surprised he didn't get most unique style that year.

M: Nope....he got most friendly

J: That's right, him and Mike Yeck

M: Well, Jay was probably friendly a long time ago... Do you remember him in 9th grade?

J: no...

M: 10th grade?

J: nope.

M: 11th?

J: not really...

M: oh yeah, probably because we didn't know him until 12th grade.

J: Our Homecoming dance was an eventful night...

Kristen Reed was crowned Homecoming Queen.

M: And Steve Schab was King, with Ozzie and Wolfhead as his 2 princes.

J: That's right, you know. I always thought Wolfhead was a really nice kid.

M: Yeah.. Me too... but what a weird name.

J: I know... we had a lot of stupid nicknames

M: Like Telle for Joe Johnson..

J: and Dumper for Jamie Sumski..

M: Ozzie for Chris..

J: Rug for.. Rug..

M: Sea Bass for Mark Sebastian

J: Yeah!

M: and for Billy Draz..

J & M: Dun Dun Dun...

M: Besides nicknames, our class was definitely known for its fights.

: Uh huh.. Spindler & Marty

M: Irene & Wendy Edawrds..

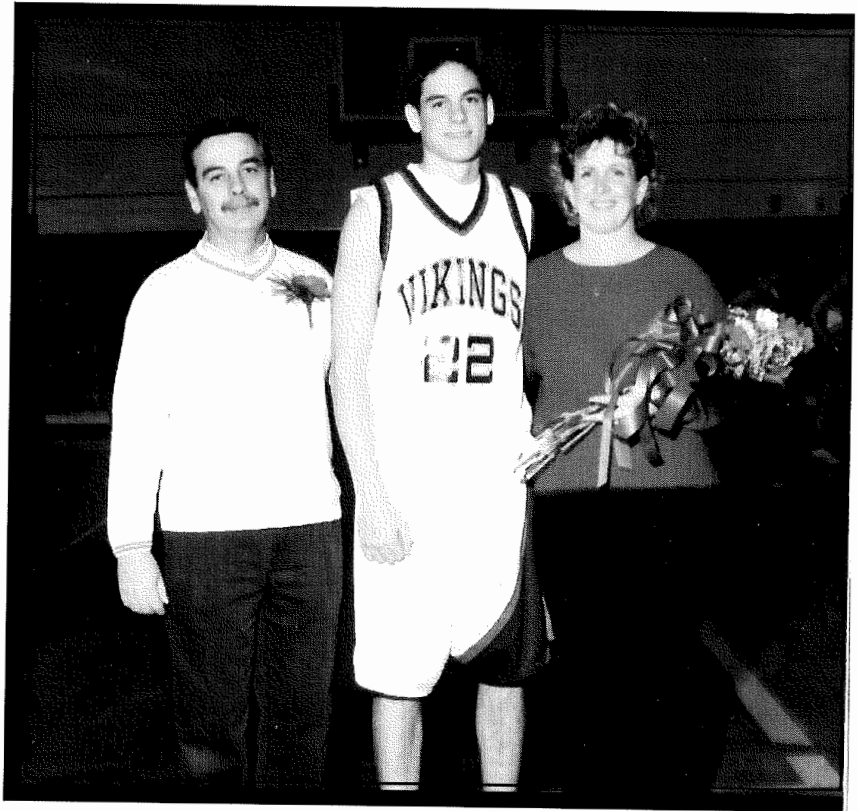

J: Jay & Plishka..

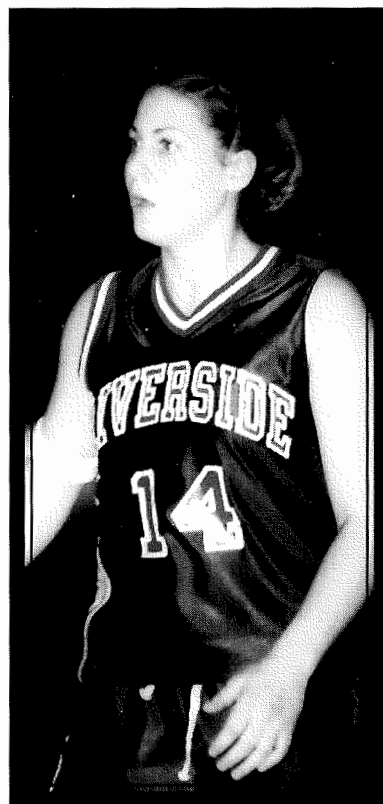

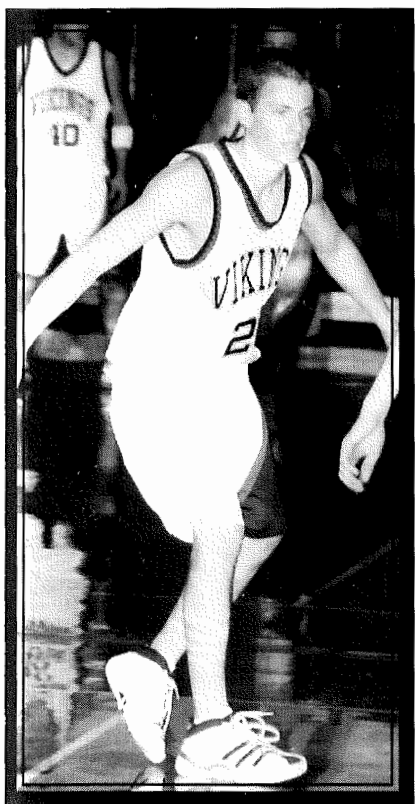

M: Katie & Jenn..
 J: Mere, they never fought.
 M: Yeah, but wouldn't it be funny if they did?
 J: (puzzled) well, what about Mary & Ellis?
 M: and Mary & Terry..
 J: Mary & Leigh Ann..
 M: Mary & Mr. Yanoshot..
 J: OK, so maybe Mary was just known for fights.
 M: Yeah, but no other grade could have had a better lunch wave.
 J: Like when everyone used to watch Rug eat 10 cookies.. at once.
 M: or when they used to sing Happy Birthday.. to everyone!
 J: But the best had to be when Gina threw her can at the window.
 M: Well, Gina was a little confused in high school.
 J: Why's that?
 M: She thought the 15 day list meant that you only had to come 15 days.
 J: Jamie Sumski must have been taking notes from Gina too.. I don't think she knew we had classes after 11:15!
 M: Speaking of no class, remember our Class Prophecy?
 J: Yeah, it seemed like Lisa & Billy were pretty bitter.
 M: Yeah, I g-g-guess so.
 J: So how about our class couple?
 M: Neal & Steve?
 J: no Mere.
 M: Oh Yeah, Coombs & Jill.
 J: Weren't they the only class couple?
 M: Well, besides Joelle and Ed.
 J: That's right - all of our girls liked older guys, or guys from other schools.
 M: Yeah, remember when Jess Knight went out with Tim McNulty??
 J: No, that was Kristina, but it was hard to tell since the three of them were always together.
 M: Or when Stacey & Lesley fought over Harry Armstrong?
 J: and Ryan Ott.
 M: and when Crystal Hensley hated you because of Lee Pajalich!
 J: Oh yeah, how could I forget that?
 M: Or remember when Jess Buldowski had a crush on John Jeszorski?
 J: Yeah she left him a little "present" in his car!
 M: Staying on that subject, remember Terry Evans?
 J: Yeah, didn't he used to go out with Kori Kneiss?
 M: Yeah I think so. Why'd they break up anyway?
 J: She got a little suspicious when she noticed all of her bikini underwear were missing.
 M: That reminds me, remember Nicole Rosko & her friend Butch?
 J: and the numerous items of pink clothing she owned??
 M: Oh, and don't forget her safety pin earrings.
 J: Well at least she was creative.
 M: That reminds me, remember hall decorating?
 J: Yeah, we finally won our last year.
 M: We may have struggled, but we always had a good time.
 J: Yeah and we had such dedicated students too.. Cheryl & Krissy came to the Conaboy's even though they were "sick."
 M: Yeah, and left Alison to clean up the mess they made.

J: But at least Steph Conaboy didn't drag Krissy out by her arm, bang her face off the front door, and throw her down the steps.
 M: no, she did do that..
 J: But hall decorating at the DePaolo's was fun.
 M: DePaolo's??
 J: You know, Steph's sister.
 M: Oh yeah... We were the only class that egged ourselves.
 J: Where else did we have hall decorating?
 M: MacArt's, Mary Barrett's aunt's, Nunzio's
 J: That reminds me of another fight... Leigh Ann & Nunzio's mom!
 M: Wasn't Mary involved in that somehow?
 J: Probably, She was always in the headlights.
 M: No, Jess. I think that statement is "in the spotlight."
 J: Oh right.. I must have been thinking of Heather Kuhn in the woods.
 M: Wow, thinking back, we had a lot of fun in high school, we can't complain.
 J: Well, Dave Paden probably can, being that he complains about everything else.
 M: Well, I'd better get going, my mom wants me home for dinner.
 J: She still makes you come home for dinner?
 M: uh...yeah..
 J: Geez, it's a good thing you didn't run into MacArt today.
 M: Why's that?
 J: Oh, it's a long story..
 M: Well Jess, I'll see ya.
 J: Bye Mere. Good luck with your interview!
 M: Thanks...Giddyup!

2001-A Class Prophecy

Scene: The year is 2021, & Lisa Hudak has just arrived at the Phantom of the Opera in New York City. She's lost backstage, when she runs into Billy Drazdowski.

Lisa: Billy? Billy Drazdowski? Is that you?!

Billy: Wow, Lisa! It's been forever!

L: What are you doing back here?

B: Oh, I'm the star of the show. I'm the Phantom. What have you been up to all these years?

L: I became a speech pathologist. I wanted to cure my stuttering.

B: Is that so? Well, have you seen Carly Streznetsky? She's my co-star tonight. She sure can sing.

L: Speaking of singing, do you remember Nora Lucchi?

B: Of course. What has she been doing?

L: Well, she started a choir for the deaf children.

B: Get out, deaf children? Why them?

L: Well, they're the only ones that think she sounds good. Did anyone else make it big?

B: Yeah, Joe Wagner starred in a recent string of vampire movies.

L: Did he have a major role?

B: Of course, he always plays the vampire.

L: I should have known.

B: I heard that Leigh Ann Bieber is doing the sequel to 28 Days.

L: Oh yeah. Marty Hogan is her co-star.

B: Have you seen Dumbo yet onstage?

L: No.

B: It's Joe Johnson's biggest hit. He was made for the role.

L: I'll be sure to see that before I leave. I'm spending the weekend here in New York. Maybe I'll run into Matt Sporer while I'm here.

B: He moved back to New York?

L: Well, yeah, he wanted to be someplace where people actually understood what he was saying.

B: I heard Dave Loew went back to Germany for the same reason.

B: Are you only in sightseeing in New York, or are you traveling other places too?

L: Well, I'm thinking of going to Las Vegas later in the year.

B: Be sure to look up Nicole Rosko, I hear she's doing a Dolly Parton impersonation routine.

L: What ever happened to the rest of that clique?

B: Rumor has it that Steph Sluck took over her dad's catering business, but won't allow parties of over 15 people.

L: Oh, same as the old days.

B: So, have you heard from Alison Morgan lately?

L: Fortunately, no!

B: Well, I heard she failed out of the U.

L: Yeah, probably because Meredith Godino wasn't there to do her homework or her anymore & she couldn't cheat off of Mere's tests.

B: Speaking of Meredith, which guy did she finally end up with, Louie or Matza?

L: Neither. She said she needed something more.

B: Probably attention.

L: How's their friend Jessica Lemoncelli?

B: She's a professional jockey now. She rides horses for a living.

L: Do you remember Joe Bieber?

B: Yeah, him & Jesse Mizwinski were awesome at sports back in the day.

L: Yeah, but their desire to play burned out.

B: Didn't Jesse end up going into the army?

L: No, he just lived on base with Paul Rodney as friends.

B: I heard that Albert Evans pursued his goal of being in the army though.

L: Is he still with it?

B: Nah, he got kicked out because of his obsession with watching late-night films.

L: Whatever happened to sweet, innocent Jackie Joyce?

B: Sweet, & innocent?

L: Oh, I'm remembering how she was before her senior year in high school.

B: I think she ended up marrying Ellis. Or Borent. Or maybe Jay?

L: How is Kristina Knight doing?

B: She married Tim McNulty & they opened up a gym.

L: Oh yeah, Tim takes care of the weights, & Kristina teaches dance.

B: I hear there's a boxing ring in there too.

L: Yeah, pro boxer Mary Barrett trains there. She uses Chris Ellis Terry Evans as her personal punching bags.

B: Olympian Jackie Davis also works out there.

L: She was always athletic in high school, what does she train for?

B: She's a World Class body builder. She also uses the new Buns o' steel video, featuring Johanna Banick and Colleen Joyce.

L: I hear that all those years of Karate paid off for Marty Wheeler.

B: Yeah, he's the next Bruce Lee.

L: Hey, do you remember Bill Sandly?

B: Yeah, he's a coach at Mansfield University now, with his best friend Mike Donati.

L: What ever happened to Ed Smith? Is he still with Joelle Martin?

B: Yeah, I hear she works for him at Schiff's. He controls her every move.

L: So, what happened to the other class couples?

B: Do you mean Katie Robinson & Jennifer Rugletic?

L: No, I mean Steve Imdorf & Neal Nowakowski.

B: I think they broke up. Steve married Cara, but don't tell anyone. Cara's parents don't know.

L: Then what's Neal up to?

B: Well, Neal is a white rapper, but got beat up for showing the westside sign.

L: I heard that Cheryl Besecker is in charge of our 25th class reunion.

B: Oh yeah, that's right. I heard she wanted to keep in touch with all her close friends from Riverside.

Lisa: I hear that Nuncio Lombardi, Justin Hewitt, & Kyle Walters became pilots.

B: Yeah, they put their heads together & made a plane that broke the record for flying the highest.

L: We sure did have a diverse class. I hear a lot of people own their own companies now.

B: Yeah, I heard Mark Von Bergen started his own rug factory.

L: Oh yeah, that's right.

B: Did you hear that Kristy Connolly is the president of Bell Atlantic?

L: How did she get that job?

B: Well, she married the owner, Shaun Bell.

L: Lisa Arvonio opened her own Psychic hotline.

B: I called it the other day. The number is 1-800-555-FAKE.

L: Mike O'Neill owns Dunkin' Donuts now too. And Arthur Wickizer owns Petro.

B: Remember Kristen Reed?

L: Yeah, didn't she used to live in sweat pants?

B: Yeah, she went on to open up her own clothing line with Tom Rodgers. They specialize in Sweat Pants & Think Big tee shirts.

L: Are they successful?

B: Everyone wears them. Except Jay Price. He shops exclusively at the Salvation Army.

L: I heard Jackie Ott invented her own shoe.

B: Yeah, one that no one can see running through the woods at night.

L: I hear Katie Johnston opened her own sock factory.

B: Does she employ many people?

L: Well, not a lot can handle the job. There are strict requirements. You must be obnoxious and loud.

B: Wow, that sounds familiar, but I'm sure as long as you agree that she's always right, & focus all of your attention on her, you'll be fine.

L: That's right, I heard she does piercings too.

B: Speaking of piercings, how about Marg Ann Maloney?

L: I can't believe it. She took over Martha Stewart's TV show. Talk about a turn around.

B: Do you remember Dave Wozniak?

L: I don't remember what he looks like.

B: Probably because he changed his look every week.

L: What does he do now?

B: I heard he just got fired from the Chiquita Banana Company.

L: Why is that?

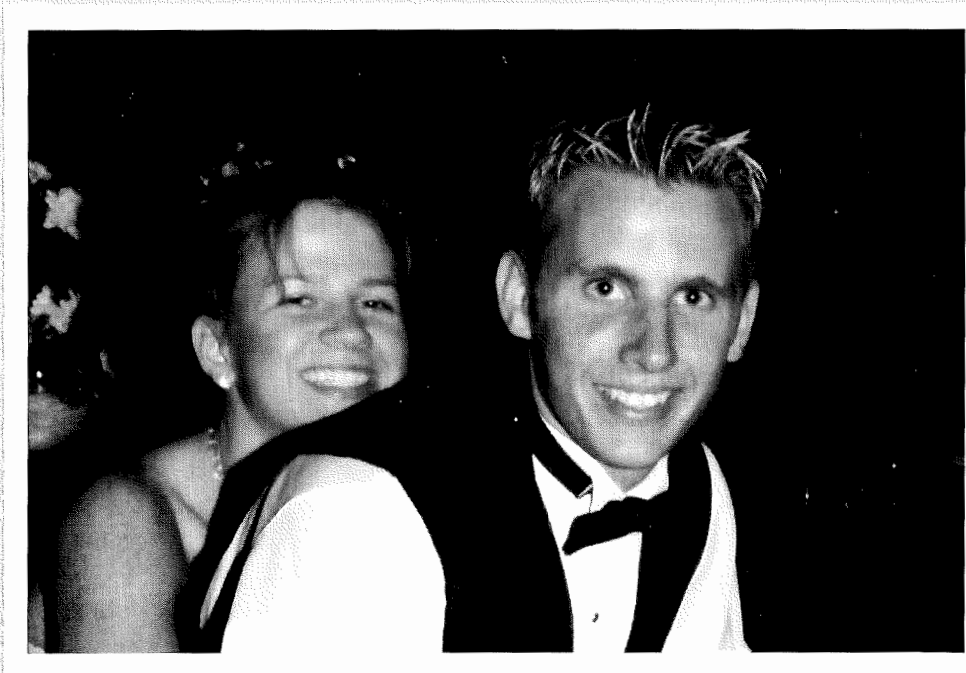

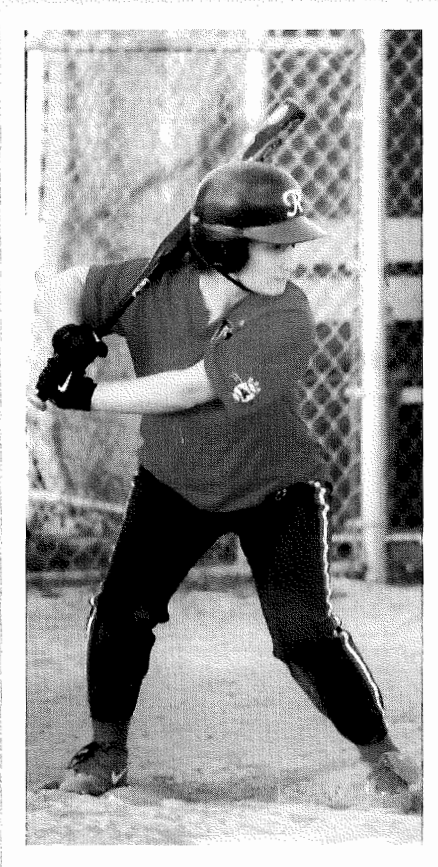

B: Too much missing inventory. I don't know what he was doing with all those bananas.

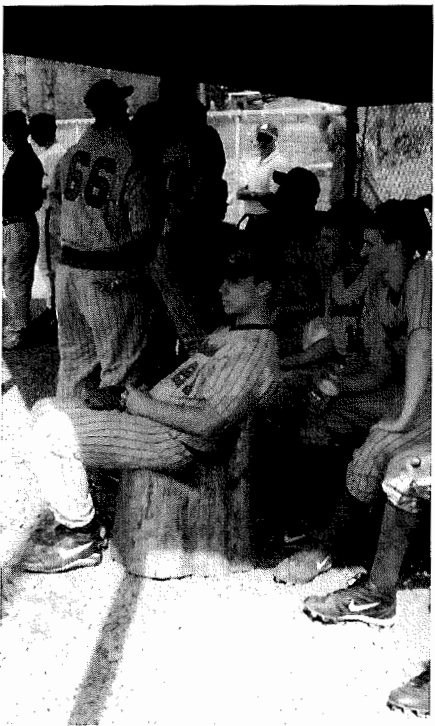

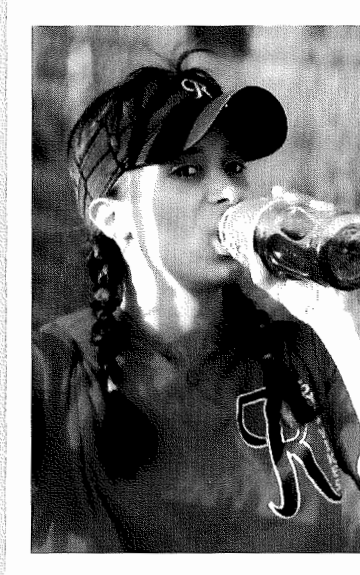

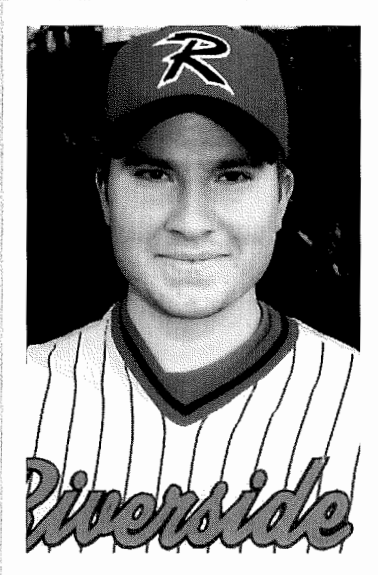

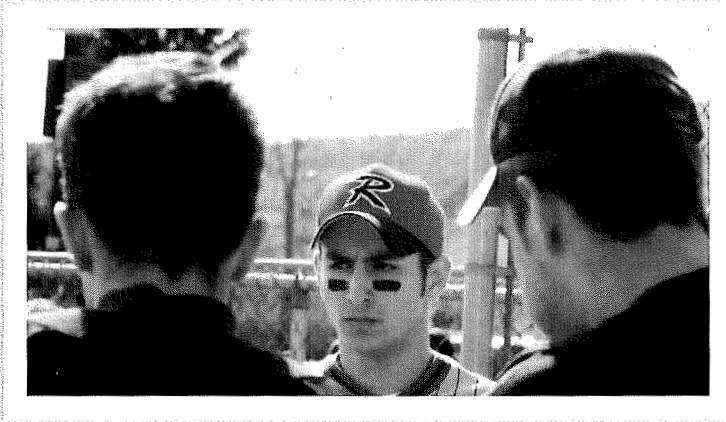

B: We had a lot of interesting people...
 L: Yeah, remember Alana Noel?
 B: She told the BEST stories!
 L: Yeah, did you read her book?
 B: I started, but it just went on & on & on.
 L: What ever happened to Mike MacArt? He had a tendency to go on & on & on.
 B: I heard he took over Kellogs, & eats a steady diet of only Frosted Flakes every morning for breakfast.
 L: Speaking of people who never shut up, I heard Jill Webb is a librarian now.
 B: What does she wear, a muzzle?
 L: What about Christina Casale? She was always an awesome writer.
 B: She has a lot of her Poetry published. Her proceeds go to hunting leopards to make her pants.
 L: I heard that Sirena Bracej is involved with animals too.
 B: Yeah, after her dog's brush with death, she decided that she was going to open an animal hospital, but she's rarely there because she is always hurting herself somehow or another.
 L: Krystal Kane works with her too.
 B: Yeah, she treats all of the injured birds. She has the technique to teach them how to fly again. ((waves arm))
 L: Now that you mention Krystal, have you seen Kahlin Kelly recently?
 B: Actually, no one has. They went back to her homeland.
 L: She went back to Canada? Didn't Jordan Racavich take that over, though?
 B: Yeah, Kahlin is now an official citizen of the Pennsylvania State Park.
 L: I heard Eric Smith went up there as a fire fighter.
 B: Wow, that's interesting.
 L: So what other kinds of jobs do people from our class have?
 B: Well, Brian Evangelista works for Wrigleys gum now so he can get all his gum for free.
 L: I hear that Erin Gibbons is a bartender now.
 B: Heather Kuhn & Jamie Sumski became strong supporters of MADD because they DO NOT believe in drinking.
 L: Billy Nasko became a mechanic.
 B: So he finally fixed the hood of his car?
 L: Yeah. Did you hear that John Plishka got fired from McDonald's?
 B: Yeah, he was always one nugget short of a 9 piece.
 L: Wow, John was one nut in high school.
 B: Reade Shield now works for Scotch tape industry. He's so good that he can finish 1/5 of the day's work in 15 minutes.
 L: That's pretty impressive.
 B: What is Jamie Williams up to nowadays?
 L: Well, she owns her own Hoagie shop.
 B: Where at?
 L: Right next to Dodge car dealership.
 B: Speaking of cars, is Dave still driving around in the Saleen?
 L: Yeah, he's following in the footsteps of his idol, Joey Gilchrist.
 B: Oh, is Stacey Svadeba still stalking him?
 L: No, but I hear that Phaiboun Sophabmixay was arrested for stalking Dave Matthews.
 B: I heard that a few of our classmates ended up marrying their highschool sweethearts.
 L: Oh yeah? Like who?
 B: Jeremy Soltis married Pam Gurskey.
 L: Nicole Saranchuk married Ray Rafalko.
 B: I hear that Val Grushinski & Karen Gray are as inseperable as ever, too.
 L: Does AJ Jones still hang out with them?
 B: Who?
 L: Wolfhead.
 B: Oohhhh. I don't know. Probably not, he spends all of his time at Cinemark.
 L: Melissa McHugh ended up marrying Luke Hudson.
 B: Ohhhh. he probably likes the massages.
 L: Who did Lesley Williams end up marrying? I thought it was someone with the initials J.J.

B: Was it Jay Jerecki or John Jezorowski?
 L: Probably both. I heard Crystal Hensley devoted her life to trying to capture Lee Pajalic's heart.
 B: Yeah, Mark Sebastian is still chasing after Kristen Gretz after all these years as well.
 L: Too bad she married Greg Weisenfluh.
 B: Kim Powell didn't end up marrying a high school sweetheart, but she did marry rich & got to open up her own garden shop.
 L: Well, that's good.
 B: I heard that Jill Connors & Chris Coombs are doing well with their son Devon. They send him to school with Christine Fogarty, Amber Vogel, & Sue Krowlikowski's kids.
 L: Speaking of Sue Krowlikowski, I heard that she is the President of Weightwatchers.
 B: Oh yeah, that's right. Isn't Tiffany Green the Vice-President?
 L: Yeah, their personal success stories really helped Conan Conaboy.
 B: What's Matt Duffy up to nowadays?
 L: He's still the head of a credit card scandal over the internet. No one can seem to stop him.
 B: Speaking of computers, did you hear that Kenny Dente opened up his own online dating service?
 L: No, I didn't. Is he successful?
 B: Nah, he's the only member.
 L: So, what is Chris Oustrich up to?
 B: Well, he did go on his Mormon mission but got kicked out for violating practically all their rules.
 L: So, what is he doing now?
 B: He and Keith Kleback became the new 9th grade girls' Phys Ed teachers at Riverside.
 L: I heard that Renee Jimmie got a job at Riverside too.
 B: Yeah, she took over the Vice-Principal's job.
 L: What's Steve Schab doing?
 B: He's still following in the footsteps of his idol Mark Brennan.
 L: Yeah, they are about the same age. So who else opened up their own businesses?
 B: Valerie Petcavage & Melissa Dudzik opened up their own beauty salon.
 L: Yeah, all of their profits come from Tiffany Puchalski's constant perms & Rochele Patton's tanning addiction.
 B: What ever happened to Amy Juba?
 L: I don't know. I thought she wanted to open a beauty salon as well.
 B: Maybe her two flying saucers abducted Mike Yeck & took him back to his home planet.
 L: Does Cassie Kraycar still work at the nursing home?
 B: Yeah, she even got Dawn Paff a job there.
 L: Why did Dawn want a job there?
 B: She wanted to take care of her boyfriend.
 L: Bryan Chase finally started his own bowling league as well. But it didn't last long because his baggy pants violated the standards.
 B: Did you hear Gina Gisolfi had perfect attendance all through college?
 L: Wow, that's a change from high school!
 B: Speaking of attendance, what ever happened to Lindsay Jenkins?
 L: Do you mean after 9th grade?
 B: And what ever happened to Joe Ragona?
 L: Who?
 B: Yeah, ok, well anyway...
 L: What's Ryan Onofrey up to?
 B: He's a drug salesman.
 L: Oh, pharmacist?
 B: Something like that.
 B: Do we know what ever happened to Christy Higgins?
 L: I think her mass media class is still in search of her.
 B: Speaking of being searched for, I think I have to run. The show must go on!
 L: Wow, look at the time. Good luck with tonight's show!
 B: Yeah, keep in touch.
 L: Bye

SPRING

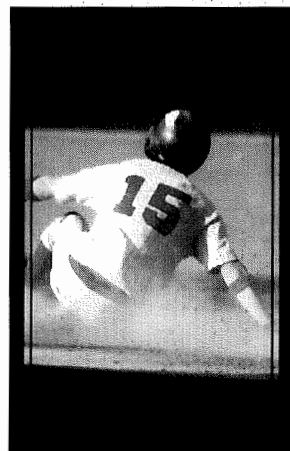

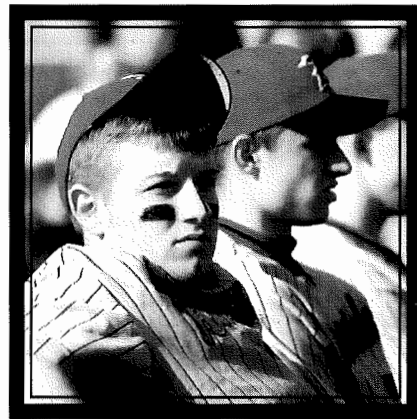

Baseball

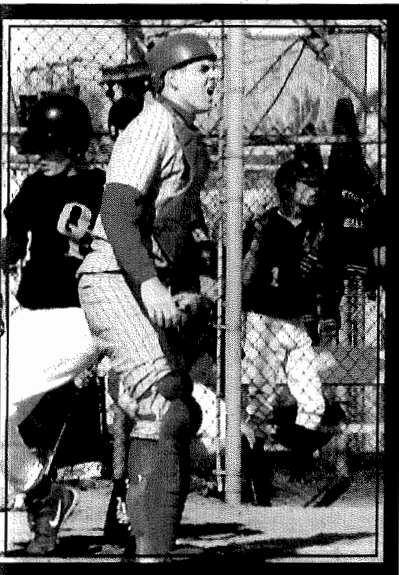

The 2001 Baseball team worked diligently to achieve success during the season. Once again, they claimed the District Championship. Coached by Dan Digwood, the team was led by seniors Bill Drazdowski, Steve Imdorf, Chris Oustrich, Neal Nowakowski, and Ken Dente. They were accompanied by fellow seniors Chris Ellis, Jason Price, Mike Yeck, and Keith Kleback.

2001 Viking Yearbook Staff

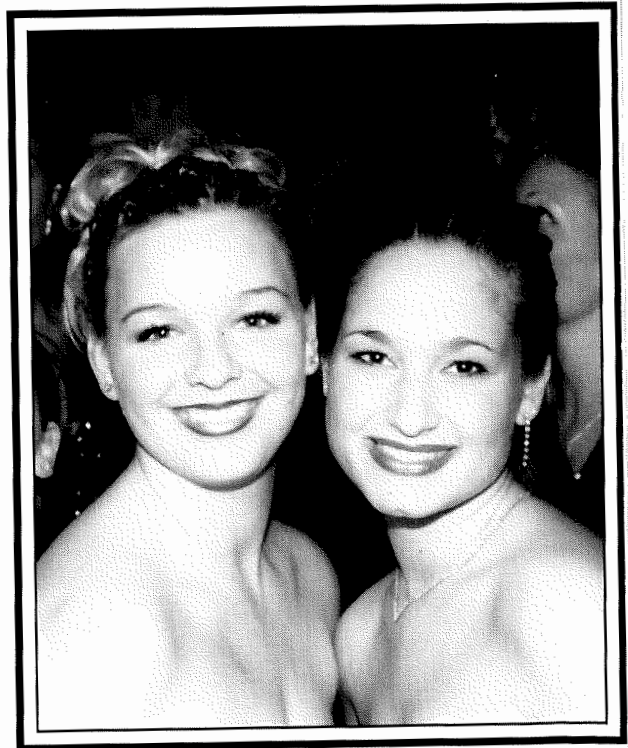

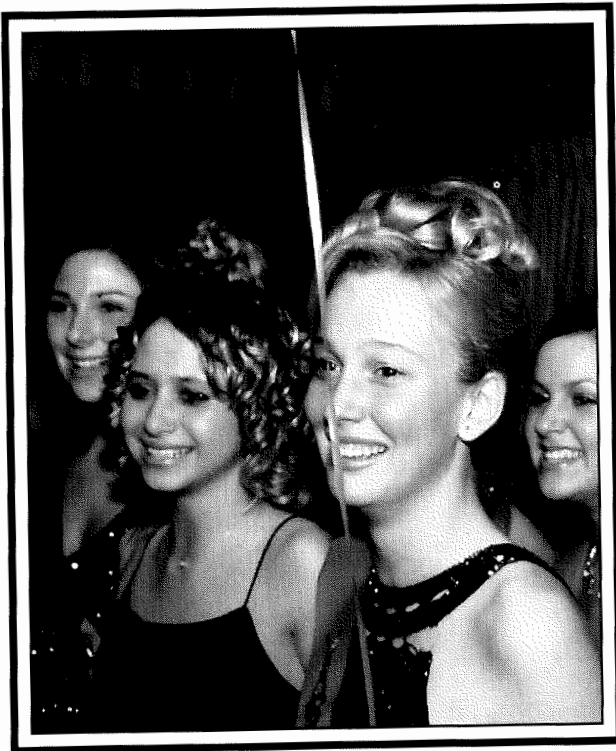

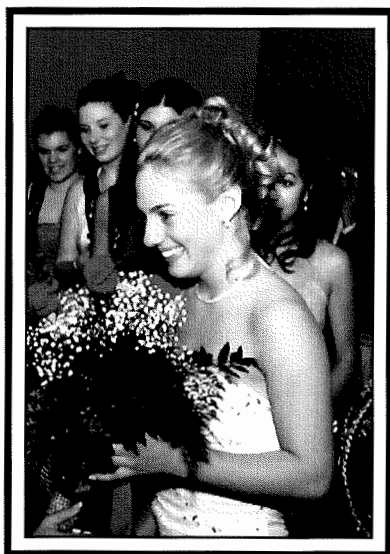

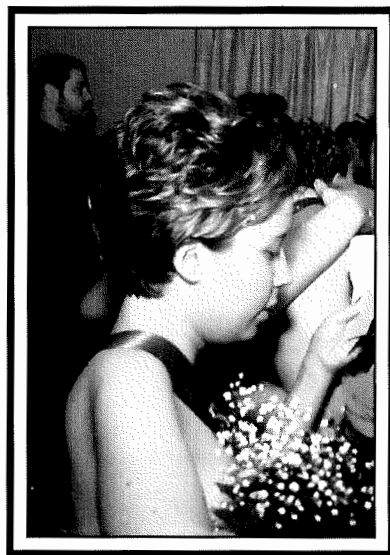

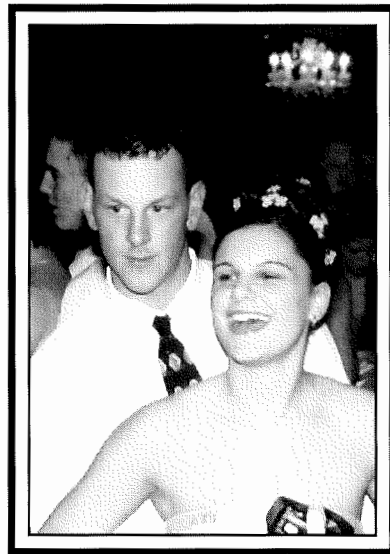

The 2001 Viking yearbook staff worked diligently to complete this year's book. Though small in number, the group dedicated long hours throughout both the school year and the summer. The staff consisted of Editors Christina Casale and Jordan Racavich, Business Manager Nora Ann Lucchi, and Junior Editors Jennifer Stocki and Ryan Joyce.

Passing of the Sword

The annual "Passing of the Sword" semiformal was held at the Pittston Convention Center on February 24, 2001. As the evening unfolded, everyone became anxious to hear the announcement of the unit heads for the 01-02 school year. Megan McDermott and Lindsey McAndrew received pom-pom co-captain designation. The 2002 Feature Dancer is Lesha Knight, and Varsity Football Co-Captains are Jennifer Habarek and Laura Keogh. However, the main event was 00-01 Miss Viking Meredith Godino passing the sword to 01-02 Miss Viking, Stephanie Semian.

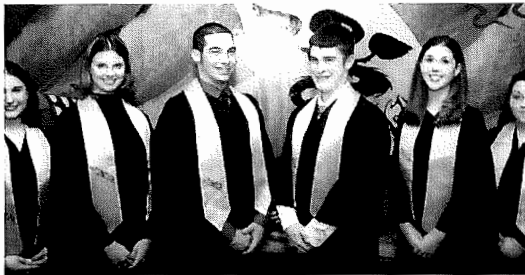

Honor Society Inductions

The Riverside chapter of the National Honor Society, advised by Ms. Paula Bartkovsky, held their annual inductions ceremony on Wednesday, April 11, 2001. The NHS inducted 30 new members making current membership 67. Throughout the night, the officers gave speeches on the ideals of the Honor Society: Leadership, Scholarship, Character, and Service, as well as the history of the National Honor Society. Guest speaker Tanya Knight and entertainment selections by sisters Jennifer and Amber Rugletic, and Jennifer Stocki added to the ambiance of the evening.

Class Day

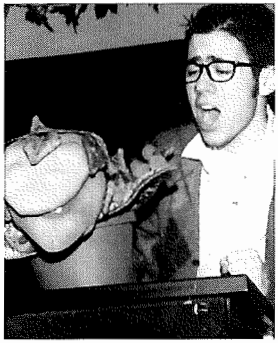

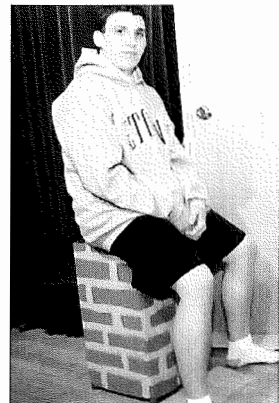

“Little Shop of Horrors”

It was the directorial talent of Mrs. Carol Hapstack combined with untold hours of planning, casting and rehearsal that made the 2001 production of "Little Shop of Horrors" a marvelous success. Carly Streznetcky and Ryan Joyce starred as star struck lovers in this hilarious musical comedy. Accompanied by seasoned pianist Ronald Geise, the vocal talents of Carly Ryan, and the entire cast shone, making "Little Shop" one of Riverside's most successful and memorable performances.

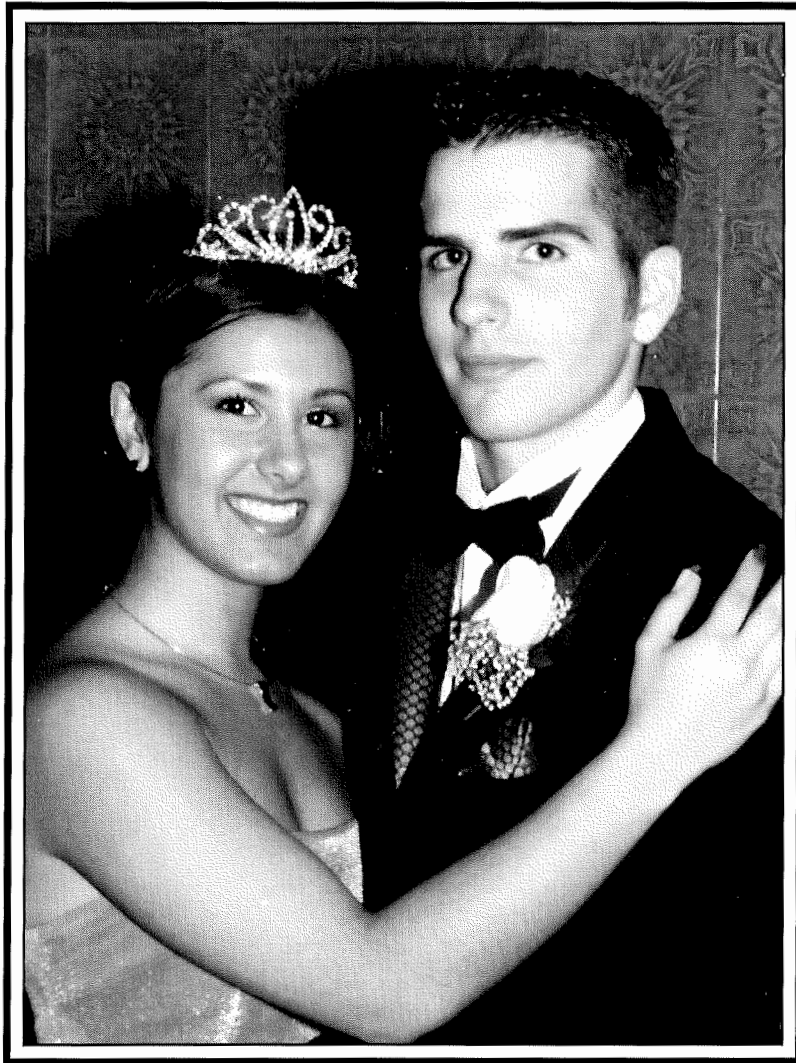

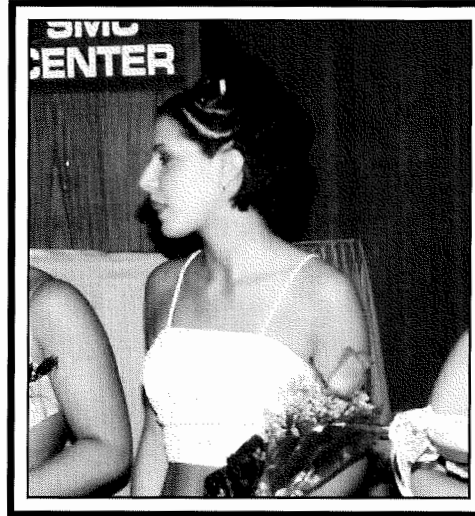

Corey Thomas, Jennifer Stocki, Jessica Schield, Stephanie Semian, as well as seniors Ryan Onofrey and Colleen Joyce made up an ensemble cast.

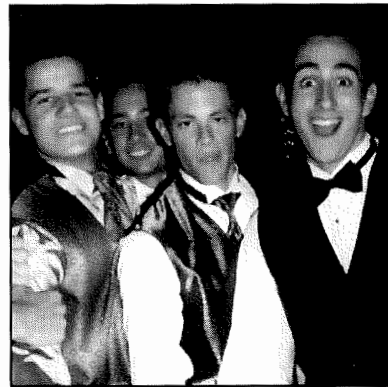

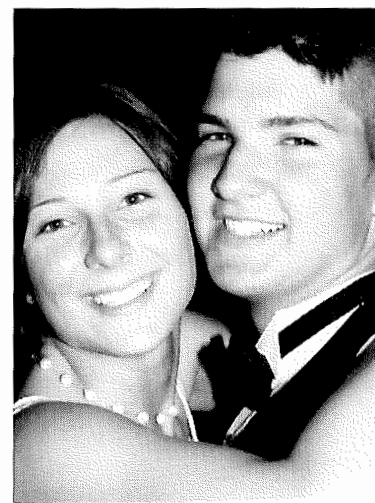

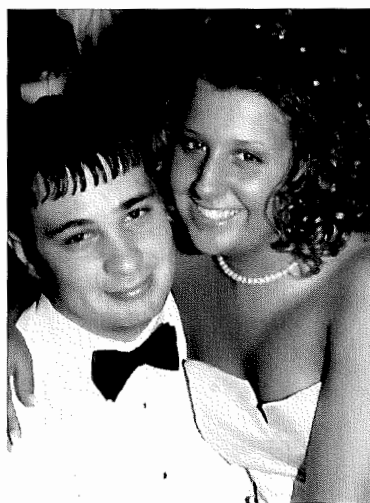

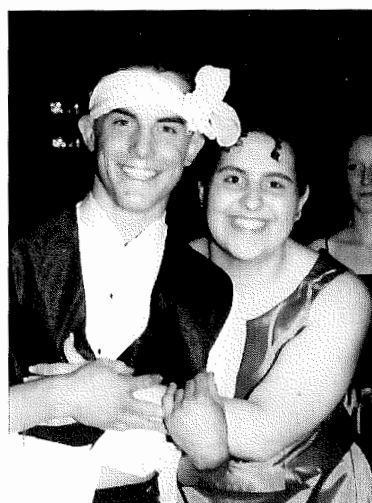

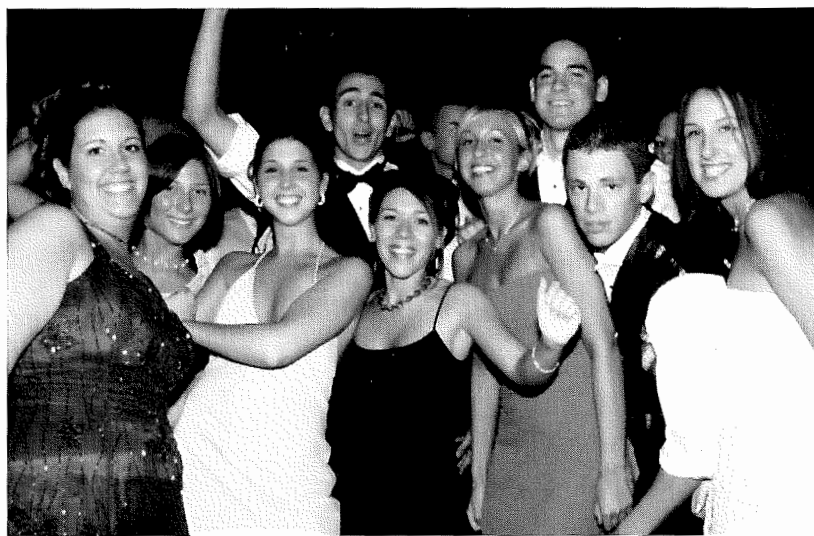

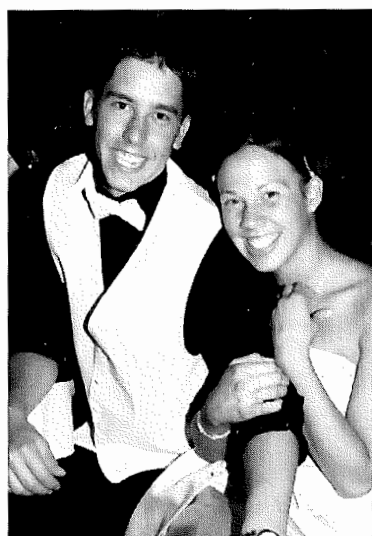

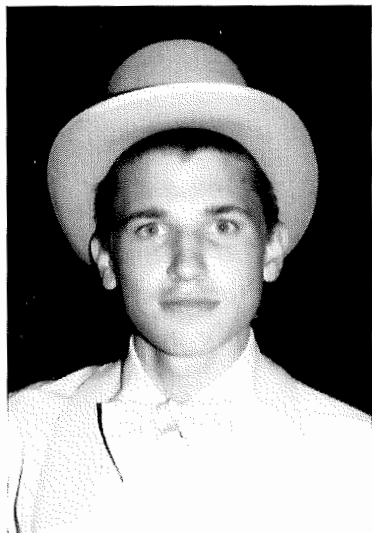

It's So Hard To Say Goodbye

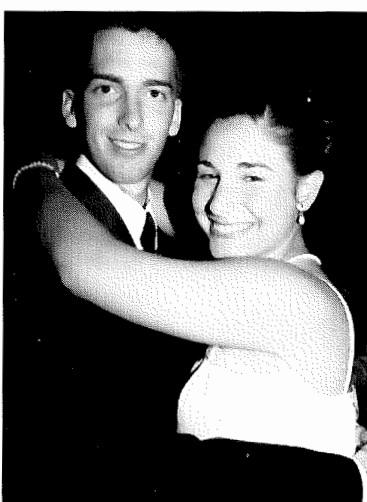

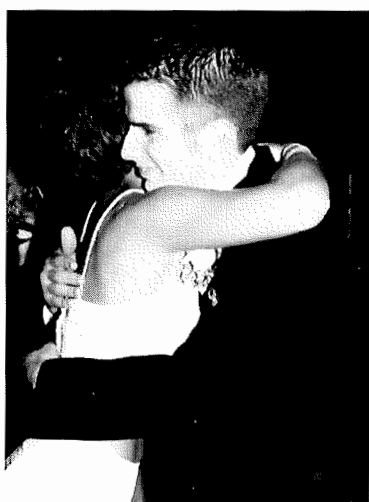

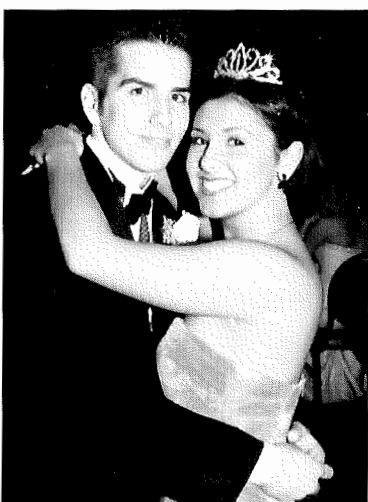

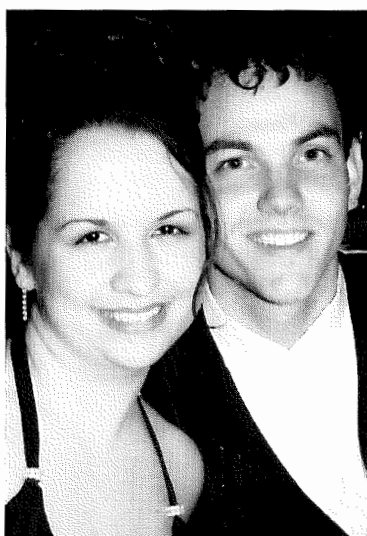

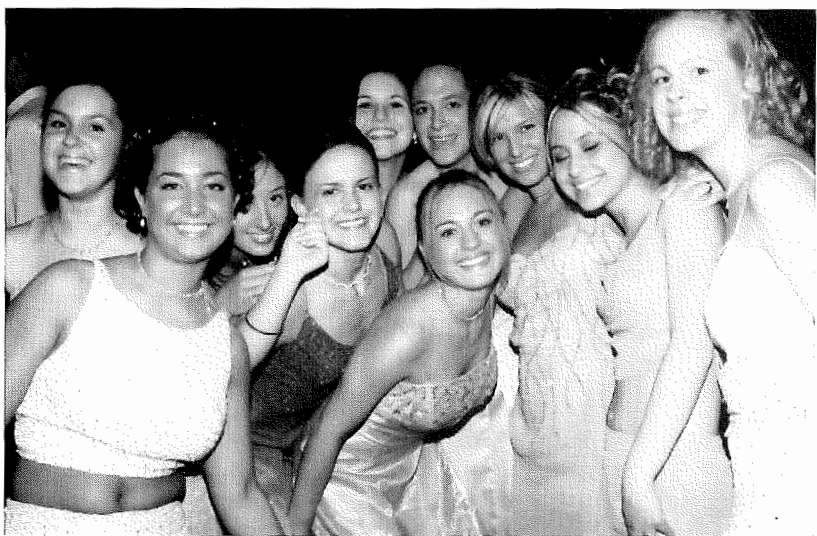

'It's So Hard to Say Goodbye' was the theme of this year's prom held at St. Mary's Center in Scranton on May 11, 2001. Kristina Knight was crowned Prom Queen and Joe Wagner was crowned Prom King. The junior attendants were Jill Helcoski, Laura Keogh, Kelly Coombs, and Holly Esgro. The senior attendants were Kristen Reed and Nora Ann Lucchi. For juniors and seniors who attended the prom, it truly was 'So hard to say goodbye.'

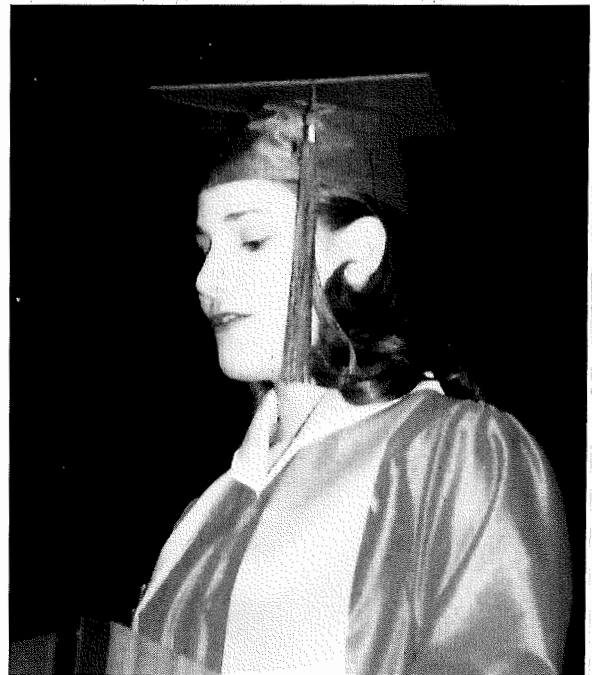

GRADU

VALEDICTORIAN
JENNIFER RUGLETIC

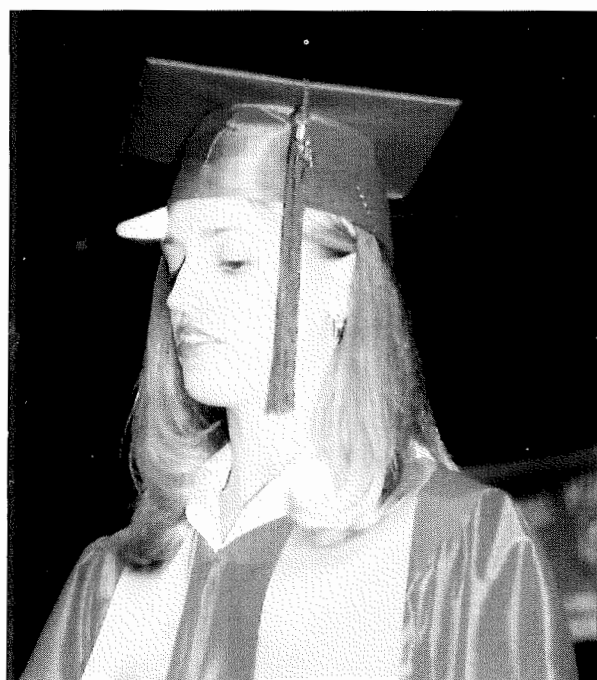

Thirty-ninth annual Commencement exercises took place Tuesday, June 12 at 8:00 PM in the high school auditorium. The top four graduating students of the Class of 2001 gave orations. Valedictorian Jennifer Rugletic presented her speech entitled Follow Ideals Like Stars. Salutatorian Nora Ann Lucchi addressed the Class on the topic The Gift of Family. Third Honor graduate Katie Robinson presented an oration entitled Be the Change. Fourth Honor graduate Tiffany Green spoke on the subject Reflections of Time. The Class sang The National Anthem, The Time of Your Life, Stand by Me, and the Alma Mater. Musical director was Mrs. Carol Hapstad, accompanied by

SALUTATORIAN

ATION

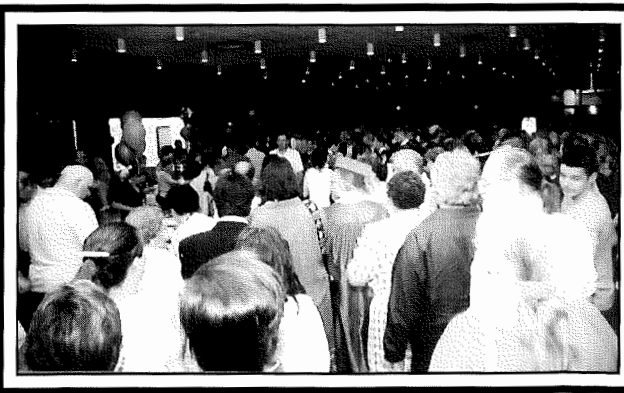

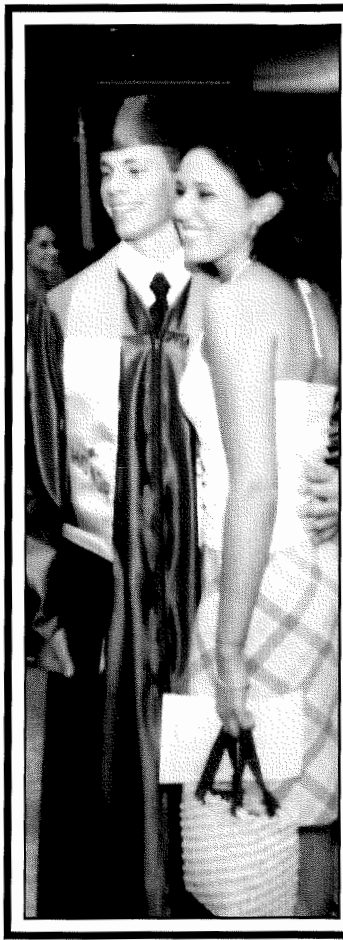

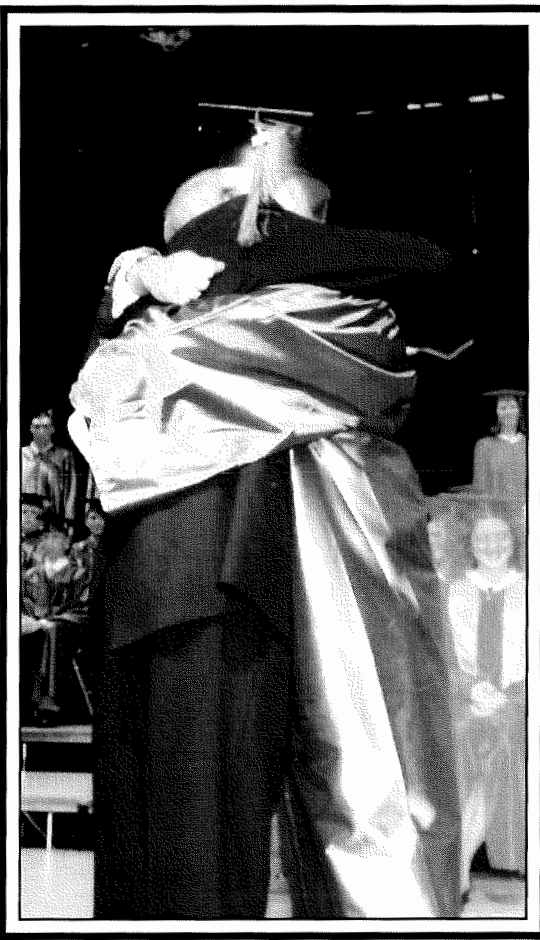

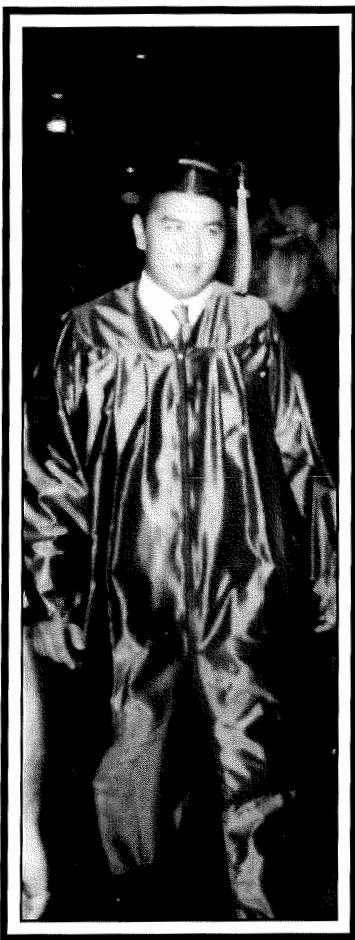

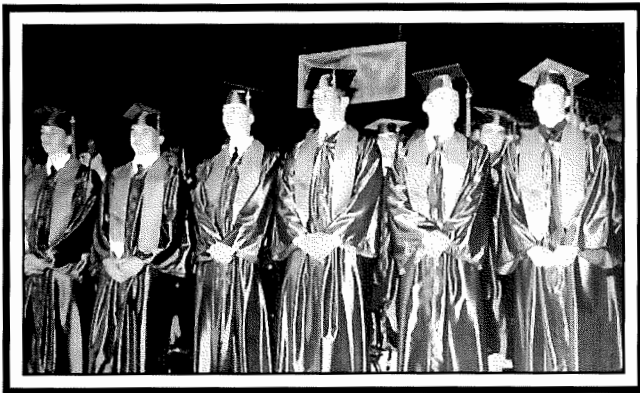

Mr. Ron Geise, Dr. John F. Rooney, Superintendent of Schools, and Mrs. Carol Armstrong, Board of Education President, offered remarks. High School Principal Mr. Robert Ruthkosky presented the Class. Vice Principal Mr. Joseph Moceyunas and Mrs. Armstrong presented diplomas. Following the ceremony, Mr. Robert Thomas and Mrs. Nancy Thomas held a reception in the graduates' honor in the high school cafeteria. It was a night for graduates to reflect on their thirteen years of friendship and guidance. The night was not merely an end to their familiar high school years, but more importantly, a new beginning.
