# A Message to the Class of 2010

As you leave to pursue the countless opportunities that life has to offer, please take with you the warm memories and well wishes of Riverside Jr.-Sr. High School. As your yearbook advisers, we would like to wish you the best of luck in the future and remind you that you will always have a home at Riverside.

We felt as if we have gotten to know your class very well over the past few years and, although we are excited to see what your futures hold, we will miss your presence in the school next year.

As you flip through the following pages of pictures and memories, look at it as a reminder of where you've been. The good times had, the mistakes ready to be left in the past, the friends that you will never forget. But also look at it as a starting point. This is as much a new beginning in your lives as it is the closing of an unforgettable chapter.

You will never forget your high school years. Those days will never be replicated, but our hope for all of you is that you will find happiness and success in your futures that exceed the fun and carefree times you had at Riverside. We hope that you will not long to return to these days, but will keep them as cherished memories and reminisce when you need a good laugh or the comfort of an old friend.

Whatever life brings your way, know that there is a community you belong to that will always offer support when you need it. Good luck in the future, please come to visit us and we hope that you enjoy your yearbook!!

Love,

Ms. Barucky & Mrs. Judge

# SALUTE TO RIVERSIDE

## Class Day

---

It seems like just yesterday at Riverside East  
We raced to recess to play  
Then we entered 7th and 8th grade  
With many changes underway

In 9th grade we came upstairs  
Freshmen hall was ours to claim  
Sat in what seemed like bigger chairs  
And we started to make our name

10th grade brought us more challenges  
Time seemed to go so fast  
T. Lisowski left and never came back  
And our hallway came in dead last

In 11th grade we tried buckling down  
SAT's and college applications  
Drivers' licenses and our first prom  
But all we wanted was summer vacation

Just like our school years, summer quickly passed  
As we approached our senior year  
We joked about leaving this place  
Now laughter turned into tears

Our senior shirts said, "we do what we want"  
We kicked off football against our rival  
And got a new vice principal, Mr. Gilroy  
Who tested our survival

Senior vs. faculty football game,  
The teachers won the fight  
The winter brought our semi  
Themed "Snowflakes and Moonlight"

Basketball season soon arrived  
And the Barbarians were created  
Known for the rollercoaster  
And the chants they stated

Now the Spring was in sight, but first  
The Unit Show and "The Wizard of Oz"  
These performances were crowd pleasing  
And our talent was the cause

It's right about then when the epidemic took over  
Senioritis was in full gear  
We couldn't focus on Kennedy's exam  
When the thought of summer was so near

The month of May  
Brought our last prom  
"Save the Last Dance For Me"  
We held the first Senior Picnic  
And Class Night was the place to be

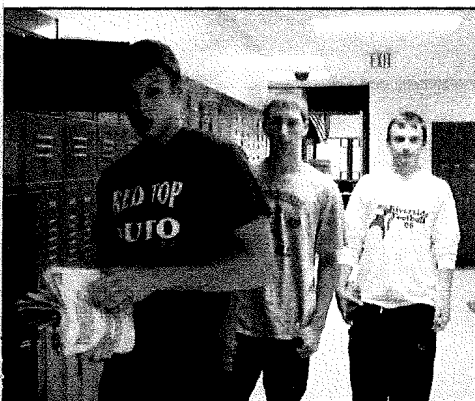

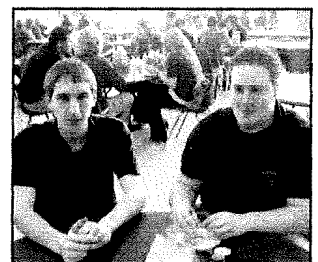

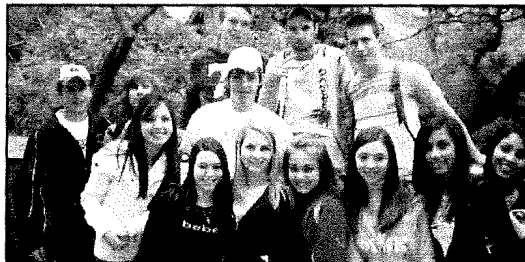

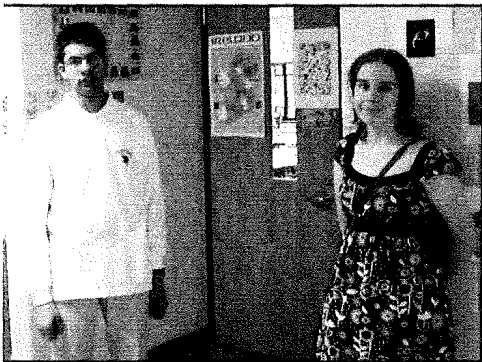

Now here we are, beginning of June  
Our final days here  
We'll be leaving for the last time  
Graduation is so near

As we walk across this stage, just know  
No matter where you've been  
Or where you go  
You'll always be part of the Class of 2010.

Kerry O'Hop

# IN THE FUTURE

## Class Prophecy

---

Situation: Michael Dranchak and Chantal Hronich meet up outside Dino's 15 years after high school.

M: Chantal?

C: Mike?

M: Hey what's up! What've you been up to?

C: Eh nothing I just opened a mime shop with Cassie Cawley.

M: That suits you two well... You guys were always quiet.

C: Yeah, but it didn't work out too well, so Cassie's modeling a Pantene ad and I'm trying to get a show called "The Cat Whisperer". So how are you?

M: Yanno still a clam. Everything's going pretty well. I got a teaching job in Florida; I'm just visiting my family.

C: That's nice. Wow, Florida? That's awesome... Isn't that where Justin Vishnesky, and Louie Munley went to school? Do you still talk to them?

M: Yeah. we're still best friends. Justin and Lou are both lawyers trying to make their own law firm, but Lou's dad isn't doing a good enough job as he did during high school.

C: Ha ha, so that's how he made it through high school... How about Mike Siminski? How's he doing?

M: He's doing well... He expanded his career in rapping as well as the being captain of his men's softball team along with AJ Phillips.

C: Oh that's cool... Is he still obsessed with Brianna Pugliese?

M: Actually, they were married but got divorced because Angela Dente, "the tail", had to go on their honeymoon. So needless to say, that didn't last too long.

C: Oh, I see. That's funny.

M: How about you? Have you heard from anyone in our class?

C: Yeah. Last I heard Marcy Guzik and Jess Kudzinowski got arrested for fighting over Matt Kuchinski outside of a bar.

M: Wow, that's funny. I remember that happening a lot in high school. How about Zaynab Abdeleziem? Weren't they always a trio?

C: Well, if you remember she was never much of the relationship kind of girl, so she's still single. That's all I know.

M: Well, that's a shame. How about the old class couples? Have you heard anything about any of them?

C: Actually I saw Kenny West and Amy Gabriel fighting in the middle of a restaurant at dinner. It was quite amusing.

M: Wow, nothing's changed. I heard Sara Fetch and Barry King didn't last long after high school.

C: Aw that's sad. I also saw that Laurie Deininger and Dave Matthews are happily married with 7 kids and living at Laurie's with her huge family.

M: Wow! That's crazy! There must be 20 people living in that house.

C: Yeah I know! Kelsey Edstrom and Joe Kane got married too.

M: Oh really? I didn't see that coming.

C: Uhm... I did, as well as everyone else in our class.

M: Ha ha, I guess you're right! Lara Roche and Dave Davis are still together but she's still driving him around.

C: Ha ha that's funny! Do you know if anyone made it big?

M: Well, Rambo (aka Kyle O'Hearn) is a professional body builder and a world known UFC Fighter.

C: Oh that's a great way to get out all that anger out that he had during school... Anyone else?

M: Actually Joe Matuszewski is a rocket scientist and Jerry Reilly is in the NBA but he's always benched with one of his injuries, yanno pneumonia, strep throat, staph, his knee...

C: Okay I get it. He's still the same injured Reils.

M: Yeah, Dave "the icebox" Bowman became a professional wrestler and Bobby Healey got put in the record book for being the best gamer in the world.

C: Well, you'd think that it'd be easy for him, being so tall.

M: Yeah! Also Breannah Jones and Stephanie Puckett went on to college to be great softball players. They were always good. Bree used to strike me out in little league.

C: Ha ha, They were always great softball players.

M: Yeah and Jake Thompson and Josh Parfitt got promotions in the military and are now members of the GI Joe.

C: Oh, that's cool...I also heard Reyna Kobeski and Shelby Fezuk are still best friends. Jess Jones really didn't talk to anyone after high school so she went her separate way. Rob Osmolia, James Sabatell and Corey Tompkins are still best friends though.

M: That's nice.. Oh and did I hear Steve Marianelli is still working at Kmart?

C: Yeah. He's a regional manager.

M: That's great. Who else became successful with their work?

C: Well, Angelique LaPorte is a doctor, Dan Orloski is a magician, and Umro Khan is the new professor at Scoop J.

M: That's awesome. Good for them. And I heard Justin Wastak is a nationally acclaimed author.

C: Yeah. So who else is there? You were always good friends with Kerry O'Hop and Rachel Jesuit. What happened to them?

M: Kerry's still trying to boss everyone around and she still wears her Miss Viking costume at her house and as for Rachel, she's still being a "G".

C: Oh man. Ha ha and Carlo Grilletto's still wearing his homecoming crown...Oh yeah, I forgot to mention Matt Speicher and Mike Togher...Instead of just sitting home alone all day, they both hibernate in Togher's basement everyday. Tyler Boyko, Theo Kumala Knoe and Doug Clark drop by every once in a while.

M: Well, that can't be good.

C: Ha ha no. Hmm. Have you heard from Robbie Stranieri?

M: Well no, but then again I never saw him much in high school either.

C: That's the truth. What about Brianna Kem? Where did she end up?

M: I recently saw her on Season 15 of Jersey Shore with her original "Snookie" poof.

C: Ha ha I remember that! Speaking of acting, I saw Katharine Conaboy in a Broadway play!

M: Well, she always was the star actor in my class according to Ms. O'Shea.

C: And Harry Krenitsky was always a great actor too. I heard he's trying to get a place on Saturday Night Live.

M: Really? That's great. I can't wait to see him.

C: Leah Ryman and Kevin Folchetti have been in a couple plays too. It seems like we have a lot of actors in our class.

M: Yeah, they were always good in Ms. O'Shea's class.

C: Oh, and I just saw Alyssa Loney on TV too. She won a lot of money on Jeopardy.

M: Oh, yeah, I saw that one. What about your other friend from school- Sam McGraw?

C: She's teaching art and band at a charter school in New York.

M: Good for her. Ya know, I just saw Jesus Aguilar in a magazine ad. I forget what it was for.

C: I think I remember seeing that in Glamour. And I saw Bethany Bisignani in a Colgate ad too. She always had nice teeth.

M: Oh, speaking of magazines, I just read in People that Artie Kemler and Lady Gaga just celebrated their 5th wedding anniversary.

C: Aw, I'm so happy for them.

M: Have you ever been to Gary Clark and Olivia Tippet's new restaurant?

C: No, I haven't.

M: It's great. That culinary school really paid off.

C: Dan Howey's a good cook, too. He has a little bakery in upstate New York, and also started a Polka festival.

M: That's awesome. I went to Borders yesterday and saw Sam Maciolek's face on a poetry book.

C: Oh, yeah. He always wrote the best love poems in Creative Writing.

M: How's Autumn Swartz doing? I heard she's a good writer.

C: She's on her 3rd novel. This one's going to be a trilogy.

M: I can't wait to read it. Do you know about anyone else?

C: Well, Marissa Gable's a "photographer to the stars" in California. And Marie Lavelle's an independent artist in New York. And John Mulholland's an anime cartoonist.

M: That's great. Oh, I just remembered I have an appointment at (Phil) Cianci's Auto tomorrow for an oil change.

C: Taylor Kempa does good auto work, too. He just fixed my car last month.

M: A lot of the Vo-Tech kids are doing really well. Nick Vanhoof's the head manager at a construction company, and Nick Kovalik is working in plumbing.

C: I heard Alex Davis is designing motocross bikes. And Sam Dando's a paramedic. I just read in the paper that she saved a woman's life.

M: Yeah, I saw that. And I heard Nate Kresge's a police officer now.

C: Oh, that's right. And Kelsey Davis is a parole officer in Scranton.

M: There are a lot of people that stayed in Scranton. Sara Snyder is still married to Matt Gudaitis and Brianna Kern and Jon Deininger are married now.

C: Oh, and Chris Montafia and Christine Erfman are married, too. It must be hard for her to be an army wife.

M: Jon Barnoski and Justin Boyko are still in the area. I heard they're both successful businessmen.

C: Kristina Carson's pretty successful, too. Did you see that commercial for that new cereal?

M: Oh, yeah. I love that cereal.

C: Well, she sings the jingle. She's been doing a lot of commercials.

M: Speaking of advertisements, I heard Caitlin Moran designed some billboards in the Northeast.

C: She was always good at graphics.

M: Some people went into fashion, too. Adam Pritchett just finished his own skinny jean line. And Alicia Babich and Kristi Shertza are starting on handbags.

C: A couple went into dentistry, like Brendymar Marraro and Artie Kemler. And Dan Webb's a chemist.

M: Yeah, I heard he's working on a new medicine.

C: And Ashley Johnson's a nurse. She's working on a national volunteer project for mothers and infants.

M: Wow! That's awesome. I just heard that Michelle Mohyla a practicing veterinarian.

C: Oh, and Jaclyn Smith started a holiday with her husband Tony Pachuck, called National Overhang Monday. It's the second Monday in October.

M: I never heard of that one.

C: Yeah, it's a little strange. Do you know what anyone else is doing?

M: I know Tom Hopkins started a skateboard park. He's trying to open up a chain. And Gvantsa's Gordeziani is a foreign affairs expert.

C: Oh, yeah. I just saw her in an interview on CNN. You know, Brittney Giehl and Chelsea Hafner are still best friends.

M: Really?

C: Yeah. They just got back from a trip to Europe. They went all around, visiting a lot of the nude beaches.

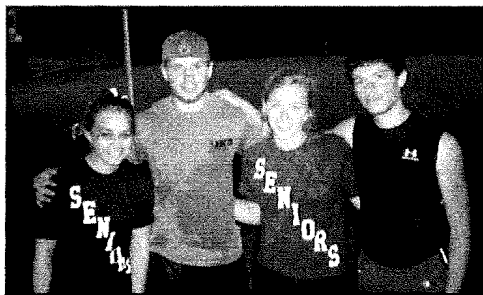

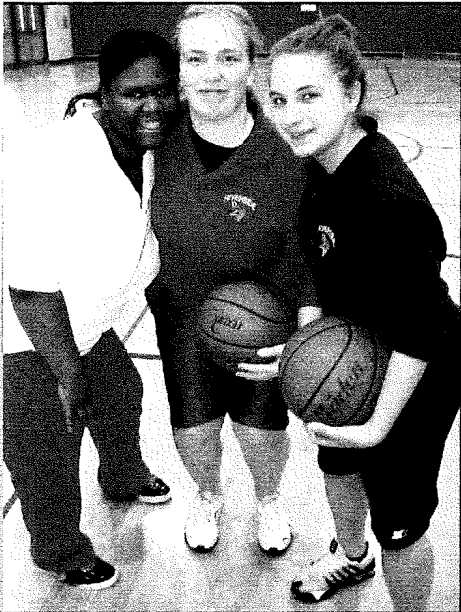

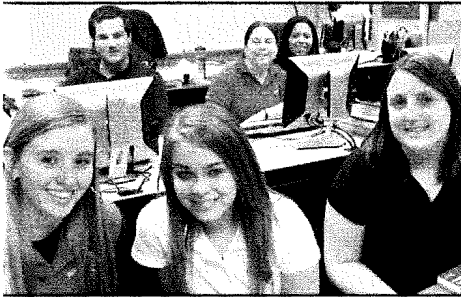

M: That doesn't sound like a bad idea.

C: Oh, look at the time. I better get going.

M: Yeah, me too. It was nice catching up, though.

# MAKING HISTORY

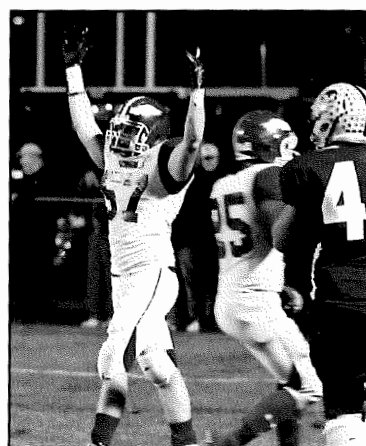

## Football

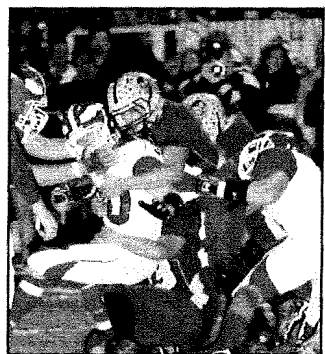

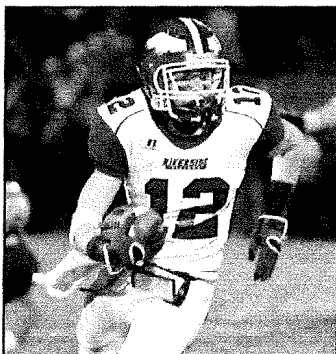

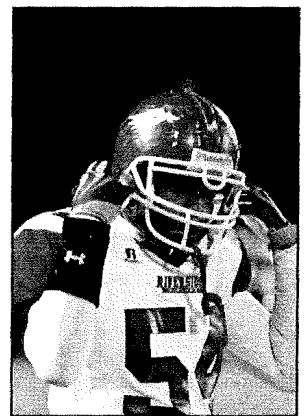

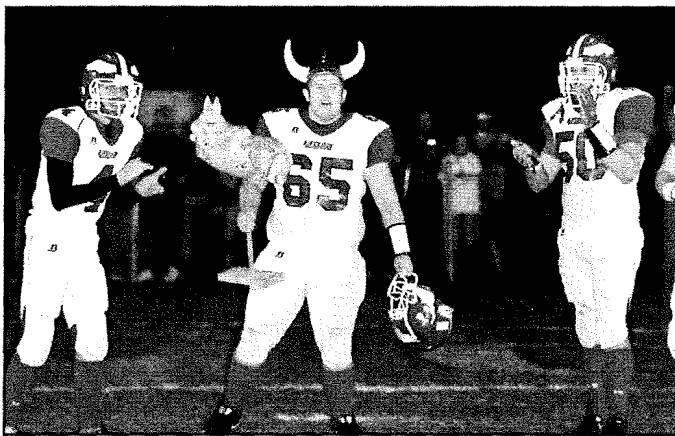

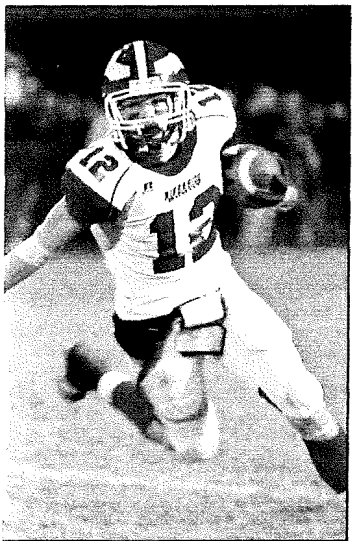

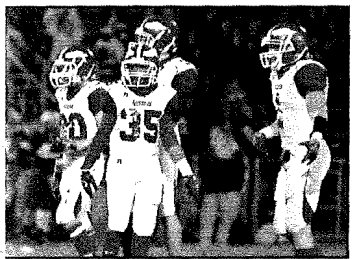

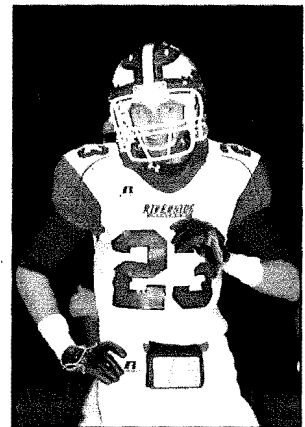

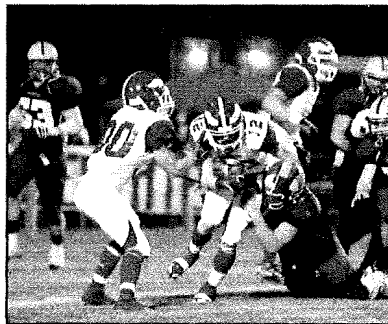

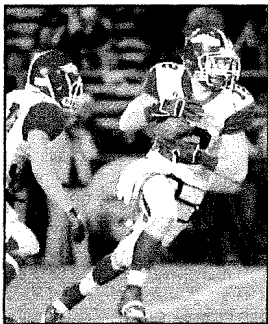

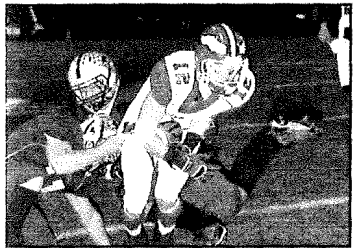

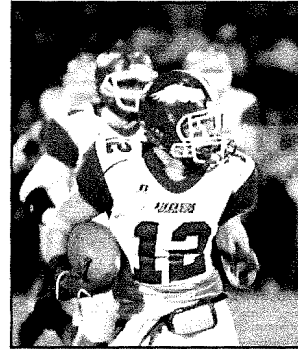

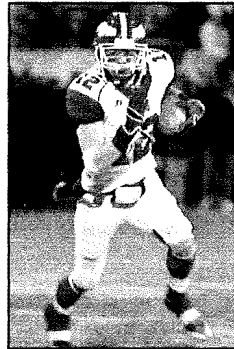

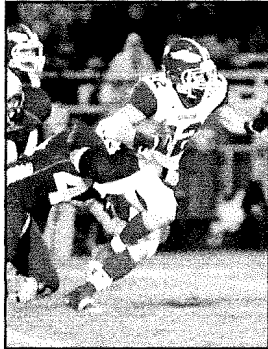

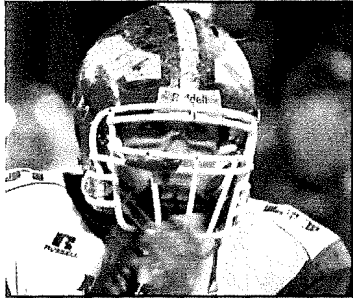

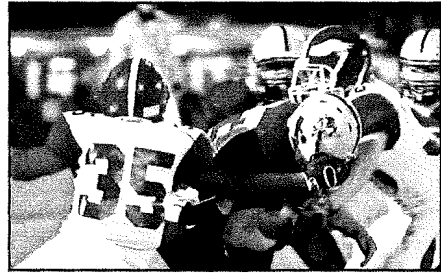

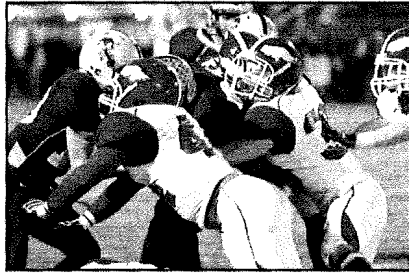

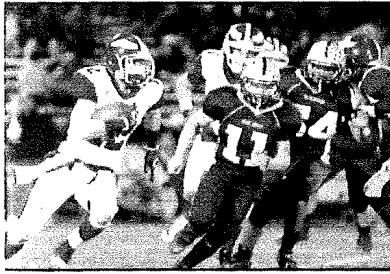

We opened up the season against the Blue Devils, and let's face it, they embarrassed us. A lot of young blood out there, first start of their young careers, and we got taken advantage of. Finishing the regular season 3-7, while our rivals finished with a perfect record of 10-0. We were lucky enough to get our shot at them in the first playoff game. All the hype about the Devils awesome defense and their plans for a state playoff run. TOO BAD! We took it to them on their home

field, in their own town, didn't even let them get a chance to show off their "awesome defense." 30-14 final score, walking off that Old Forge field for the final time with a stellar win and the best feeling a Riverside Viking could have!

# GETTING IN THE SPIRIT!

## Spirit Week/Hall Decorating

Spirits were high as the students celebrated spirit week and hall decorating. This year's hallway theme was horror movies and books. Everyone worked hard to make the halls scary! And everyone had fun dressing up all week.

It was hard to tell who was who on look-a-like day and we traveled back in time for 80's day! Even the boys wore pink on "Pink Day".

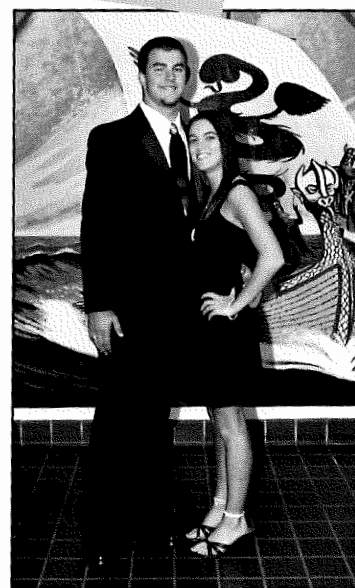

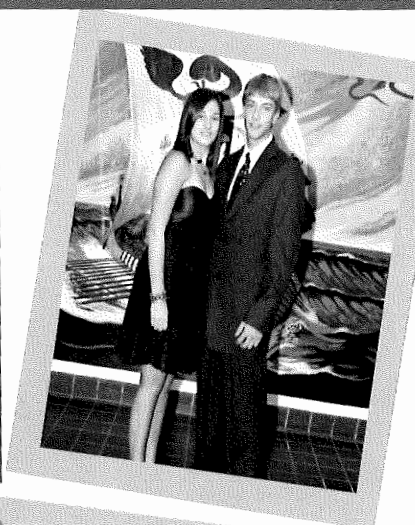

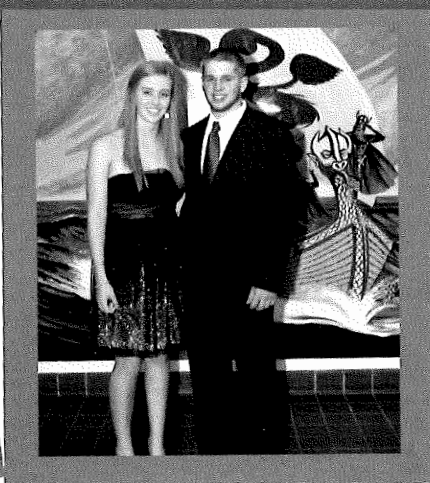

The fun ended with Jersey Day when students wore their favorite team colors.

The senior class officers worked hard on the hallway to make it a real nightmare on Elm Street!

Beginning with Mr. Yanashot's humble idea for a small arts festival, Riverside Alive has become one of our biggest school-wide events, including participants from almost every discipline of study in the school. And it's our way of showing off our very talented students!

# AND THE AWARD GOES TO...

## Class Day

**June 14, 2010**

**S**tudents, parents, faculty and alumni gathered one last time before graduation to honor the Class of 2010 and their achievements at Class Day. Each year, members of the senior class receive scholarships from businesses, organizations and private donors. Class Day 2010 was the most successful yet, as \$100,000 in awards were given out! The Class Day Program also included the Salute to Riverside, given by Kerry O'Hop, and the Passing of the Mantle from the Senior Class to the Junior Class. Senior Class President, Angelique LaPorte, passed on this tradition to Junior Class Vice-President, Morgann Haduck.

# THROUGH THE YEARS

## Class History

---

This takes place in the year 2030 in Mercy Hospital. Joseph Matuszewski just had surgery on his knee and can finally eat. It is around noon so Breannah Jones will be serving him lunch.

BJ: Wake up, your lunch is here.

JM: Thanks. This is my third surgery on this knee and the hospital food is the best part.

BJ: When did you have the other two done?

JM: In high school... You look familiar. Did you go to Riverside High School?

BJ: Yeah. My name is Breannah Jones. Who are you?

JM: Joseph Matuszewski.

BJ: How have you been?

JM: Can't you tell?

BJ: Sorry. How's Steph Puckett doing, she had some knee issues? She was always a great catcher in softball.

JM: Not as good an athlete as the world's greatest, Jerry Reilly.

BJ: Yeah you're right, but not as great as Mike Siminski's rap career or Justin Wastak competing with Beyonce.

JM: Wonder how that turned out. I bet Umro Khan and Doug Clark made it big time.

BJ: Just like Lou Munley got big.

JM: He used to show his muscles off all the time.

BJ: He wasn't even that big.

JM: Marissa Gable used to take pictures of him flexing senior year. Speaking of her, didn't she used to creep around every corner taking random pictures?

BJ: That was her! Marissa Gable photographed all the times Jaclyn Smith and Kristi Shertza rode the wave... and lost.

JM: I wish she took a picture when Kennedy flipped out at Artie Kemler. I am pretty sure he ran away before lunch and cried.

BJ: I'd cry if I had frosted tips for three years. That's a disaster.

JM: Speaking of tips, didn't Mike Dranchak have them even longer?

BJ: There was some crazy hair back in the day.

JM: Remember Michelle Mohyla hair? It was awesome.

BJ: I think Beth Bisignani gave up her extensions to her boyfriend one year.

JM: Even Kevin Folchetti had a nice large weave too.

BJ: Carlo Grilletto's red hair made everyone think he was Irish.

JM: Who?

BJ: You remember him. He came to our school senior year.

JM: That year was tough.

JM: I thought Alyssa Loney was failing by the way she talked about failing tests. Then when she passed them all she could say was "sorry."

BJ: The one time she wasn't sorry was when she punched Bri Kern in the face.

JM: Wasn't Bri best friends with Laurie Deininger?

BJ: Yeah, and Dave Matthews was Laurie's boyfriend.

JM: The singer?

BJ: No. Speaking of relationships, Sara Fetch and Barry King had a long one. Along with Amy Gabriel and Kenny West... I think she cried a lot.

M: It was almost as bad as when Dave Bowman use to cry.  
 J: If I remember correctly, Kerry O'Hop cried at our Senior Prom.  
 M: I think she still might be.  
 J: I'd say we had some interesting formals.  
 M: Like the time you brought that creepy, bearded man to freshman semi?  
 J: Ha, Oh yeah!  
 M: Remember the General?  
 J: It was the only way Tom Hopkins passed government.  
 M: Dave Davis had a sweet beard too.  
 J: I think Lara Roche got lost in it.  
 M: Joey Kane wished he had a beard like that. Even his cousin, Phil Cianci, had a ton of neck hair.  
 J: Didn't Harry Krenitsky wear a fake beard?  
 M: I don't remember. He dressed in so many different costumes.  
 J: Even Leah Ryman wore a costume.  
 M: Matt Kuchinski used to wear moccasins.  
 J: Yeah, and Marcy Guzik, Reyna Kobeski, Zaynab Abdelaziem and Jess Kudzinowski were always at his house assemblies.  
 M: Didn't they hang with Jess Jones too?  
 J: I don't know. She was always quiet.  
 M: I wonder if she, Cassie Cawley, and Chantal Hronich persued becoming mimes. They were always quiet.  
 BJ: Unlike Ashley Johnson who was louder than Billy Mays.  
 M: Autumn Swartz was always loud too. Wonder if she finally made it to the circus.  
 J: Guess what! Jonny B. said his first word today.  
 M: It was all over the news, along with Jon Deininger's truck.  
 BJ: I think I saw Gary Clark on YouTube with his new Pokémon video.  
 M: I'm pretty sure John Mulholland called for a Yugio battle.  
 BJ: Josh Parfitt had some anger issues too, but I guess the air force helped him focus.  
 M: Didn't Jake Thompson and Chris Montafia go into the military?  
 BJ: Yeah, Jake brought his 5 girlfriends with him. Chris decided not to go and stayed with Christine Erfman.  
 M: That reminds me. Didn't Sam Dando work as an EMT?  
 BJ: Maybe. You must have heard that from Shelby Fezuk.  
 M: Probably she knew everything. But I wonder if she knows about Kyle Lyle?  
 BJ: You mean Rambo? (Kyle O'Hearn)  
 M: Yeah.  
 BJ: He had some pretty strange stories.  
 M: My nephew Robbie Stranieri had some nice ones, and not to mention almost had Marie Lavelle as a girlfriend one too many times.  
 BJ: He always had everyone laughing no matter what he did.  
 M: I once thought we had our own ESPN broadcast at school lunch when Rob Osmolia, Dan Orloski and James Sabatell would go back and forth with NBL, NBA, MLB and more NBA stories.  
 BJ: I hope they recognized Matt Speicher's beastly volleyball skills. Too bad he'll have to look up to those sophomores now.  
 M: Sam Maciolek fired up gym volleyball his senior year, he surprised everyone.  
 BJ: There were some more athletes in our class too, like Caitlin Moran. I don't think I heard much from her.. but she could hit a tennis ball.  
 M: Didn't Sara Snyder play a sport too?  
 BJ: Yeah...

JM: Well I must say, I didn't even recognize you with your new hairstyle.

BJ: Yeah it changes, like to keep it up.

BJ: We had some pretty stylish friends back in school, like Jesus Aguilar and Gvantsa Gordeziani....Much more fashionable than us.

JM: Bri Pugliese looked hot when she had formaldehyde and insect juice spilt all over her in Hapstack's class.

BJ: What I really remember is how many people left during our years...

JM: I remember when T-Lisowski took a "Fridee" off... then never came back.

BJ: Olivia Tippet left, and then came back too!

JM: Same with Alicia Babich, she's lucky she left during Chemistry of our junior year though.

BJ: Ha, yeah Angelique LaPorte was the only one to ever beast Chem.

JM: So many kids were never in school, like Taylor Kempa, Alex Davis, Justin Boyko, Nick Kovalik, Nick VanHoof and Dan Howey.

BJ: That's because they were always making sweet things at Vo-Tech.

JM: I know, I didn't see much of them after our sophomore year started.

BJ: There were a lot of others that seemed so quiet, like Kelsey Davis, Dan Webb, Nathan Kresge, Brendymar Marrero, Sam McGraw and Kristina Carson.

JM: If I stayed that quiet in class I probably would have never gotten myself into trouble.

BJ: I don't think I've heard Mike Togher talk ever since Marie and him broke up in the 6th grade.

JM: Then there was Chelsea Hafner and Brittanni Giehl who shook the world with their laughter and loudness in the morning. You instantly knew they were best friends.

BJ: Speaking of best friends, I wonder if Steve Marianelli is still Tom's best shredhead friend.

JM: Yeah just like how Theo Kumala and Jake Thompson were the Heights Bad Boys! That name couldn't have ended well.

BJ: Yeah pretty much as bad as when AJ Phillips got a spray tan..... he was orange.

JM: I'm surprised that Justin Vishnesky never attempted the tan to go with his Pink Polo. I wonder if he ever grew...

BJ: Or if little Rachelle Jesuit ever did.

JM: Well I think Bob Healey smashed his head off the ceilings every day.

BJ: Not to mention hot dates with Katharine Pepsi Conaboy.

JM: Oh yeah hot dates...I think Angela Dente and Mike Dranchak went on plenty of them.

BJ: Speaking of hot dates, I've got one washing dishes in the Café... I got to get a move on.

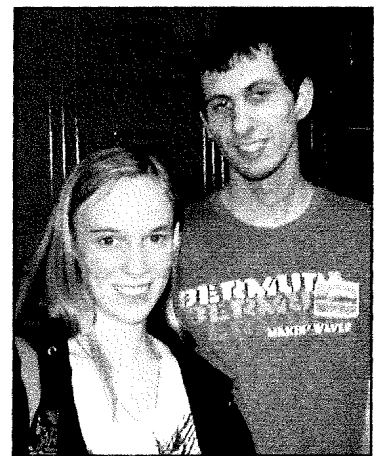

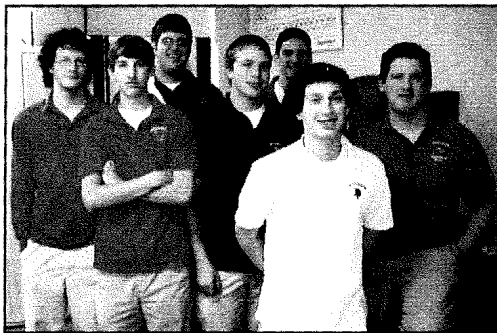

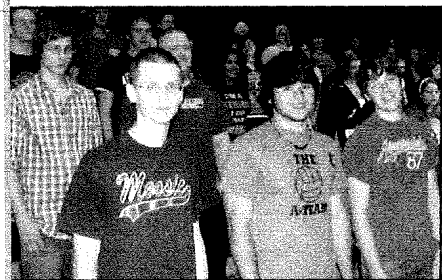

JM: Thanks for bringing the food Bree, it was great talking to you.

BJ: No problem, keep in touch!

Joe: See you at the 50 year reunion, if there's not another apocalypse threat.

Danny,

We are all so proud of you. You have come a long way since grade school. You take on every challenge that comes your way and you overcome it. You excel in everything you do: school, work, band, Drama Club, chorus, culinary class, and even Polka and Tap dancing. We all know you will also take on every challenge you face at Luzerne County Community college the same way you have all through high school.

GOOD LUCK in all you do as you move on to your next challenge.

My Wish  
by Rascal Flatts

I hope that the days come easy and the moments pass slow,  
And each road leads you where you want to go,  
And if you're faced with a choice, and you have to choose,  
I hope you choose the one that means the most to you.  
And if one door opens to another door closed,  
I hope you keep on walkin' till you find the window,  
If it's cold outside, show the world the warmth of your smile,

But more than anything, more than anything,  
My wish, for you, is that this life becomes all that you want it to,  
Your dreams stay big, and your worries stay small,  
You never need to carry more than you can hold,  
And while you're out there getting where you're getting to,  
I hope you know somebody loves you, and wants the  
same things too,  
Yeah, this, is my wish.

I hope you never look back, but ya never forget,  
All the ones who love you, in the place you left,  
I hope you always forgive, and you never regret,  
And you help somebody every chance you get,  
Oh, you find God's grace, in every mistake,  
And you always give more than you take.

But more than anything, yeah, and more than anything,  
My wish, for you, is that this life becomes all that you want it to,  
Your dreams stay big, and your worries stay small,  
You never need to carry more than you can hold,  
And while you're out there getting where you're getting to,  
I hope you know somebody loves you, and wants the  
same things too,  
Yeah, this, is my wish.

My wish, for you, is that this life becomes all that you want it to,

You never need to carry more than you can hold,  
And while you're out there getting where you're getting to,  
I hope you know somebody loves you, and wants the  
same things too,  
Yeah, this, is my wish.

This is my wish

May all your dreams stay big

My Dear Son Michael,

I am so proud of your many accomplishments. I know you will succeed in all you do. I wish you luck in your future and want you to know I will always be here for you. It won't be long and you will be leading a class, you are a strong leader!

“When you get the choice to sit it out or dance ALWAYS dance.”

I Love You,

Mommy

CONGRATULATIONS

To My Son,

You've more than exceeded my expectations of you. I could not ask more of you than your best and you've given me that. I'm more proud of you than you will ever know- your accomplishments and the fine young man you've become. I know you will continue to make me proud in any choices you make in life.

Love,

Daddy
